

# WARRANTY CERTIFICATE

NO. 12001

We are glad that you have equipped your car with our CS-Germany quality coil springs. You have chosen a top quality product. Our springs are manufactured to meet the highest quality standards demanded by the automotive industry. High-grade spring steels and modern production technologies guarantee an exceptionally long life.

We grant therefore to all springs a manufacturer's warranty of 10 years, or max. 250,000 KM. Please keep this warranty certificate carefully. It is needed in the unlikely event of a complaint.
